Last years budget figures from the County Assessor considered  
and discussed.

After much discussion it was decided to increase the budget  
for ~~1959~~ 1960 by approximately 20 % as Mr Mecklenberg the  
Assessor had supplied a tentative figure of \$ 3, 382,000 of  
tax valuation for the year, although the final figures will not  
be available until about the first of the year.

Resolution No 20 adopting a budget of \$ 16, 800.00 was passed  
and adopted and becomes a part of these minutes.

Secretary Hunter reported that he had made arrangements with  
the S & M Auto Supply of Everett Wash. to make purchases of parts  
for the trucks when needed and to charge them and pay for them in  
the usual way of the supply house signing a voucher for them and  
the County Auditor mailing the warrant direct to them.

Hunter also reported that he had received a bid price of 35¢  
per foot for 1 1/2 inch linen hose without couplings and \$ 5.50  
for each coupling installed by them. This bid received from  
the Andy Johnson Company of Tacoma Wash.

There being no further business meeting was adjourned at 9.30 P.M.

Current bills considered and vouchers for same approve and signed.
