

 Budget
1974

ISLAND COUNTY FIRE PROTECTION DISTRICT No 3

SPECIAL MEETING OF THE COMMISSIONERS 28 SEPTEMBER 1973

Meeting called to order by Mr. Henny the chairman at 7.00 PM in the meeting room of the Clinton fire station.

Present: Commissioners: David C. Henny
Joseph H. Long

Chief: Randolph Erikson

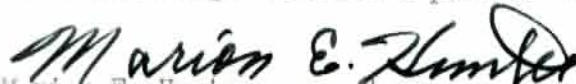

The meeting was called to consider the final budget for the District for 1974.

Minutes of the last regular meeting were not read.

Copies of the budget are supplied to each person present, and are read over and discussed. After some discussion of the G.O. bond fund needs, and after the secretary had suggested that this fund be scaled down from the tentative figure approved at the last regular meeting, of \$ 22,000.00 to \$17,240.00, which is approximately the amount needed to care for the retirement of bonds and their interest next year, and in view of the fact there will be approximately \$9,000.00 ballance in the fund as a carry over, Mr. Long makes motion seconded by Mr. Henny that resolution # 70 be adopted, Carried unanimously. This resolution includes the lower figure of \$17,240.00 from \$22,000.00 for the G.O. Bond levy, \$52,250.00 for the expense fund, and \$5,000.00 for the reserve fund, for a total of \$74,490.00. This is a reduction from \$78,849.00 for the present year of 1973. Expenditure part of the budget shows a total of \$79,310.00 which will be cared for by taxes collected and transfer from the reserve fund, and by an estimated other income from various sources of approximately \$1,560.00 and a cash carryover from the end of year.

Inasmuch as this meeting was called to consider and pass the final budget and this has been accomplished the meeting is adjourned at 7.20.

The above budget becomes a part of these minutes.
