David C. Henny

Minutes of the last meeting on June 2, read and approved as read.

Current bills on hand and Mr. Henny seconded by Mr. Capp makes motion that the bills be allowed and vouchers for same be approved and signed. These vouchers in the total amount of \$ 2570.78 are listed on the reverse side this sheet.

~~Chief Hunter asks the commissioners~~

~~Chief Hunter states that he would prefer, and like, to have the commissioners named as making releases to the newspaper from time to time, relative to news regarding the fire district, on bond issues, and other items regarding the operation of the district. He says he thinks he is in the news too much. He refers to Snohomish County Fire District No 1, wherein Mr. Albright, Chairman for their commissioners makes the news releases to the newspaper relative to their business.~~

Publicity for the forthcoming bond election for the Fire District is discussed, and Hunter says he thinks a mimeographed sheet, describing the issues at stake, also the costs to voters, of the bonds by the year should be passed out, also mailed to rural boxholders in the district, just prior to the election in Sept. He also thinks an add in the paper the last week before the election would be valuable.

Hunter is instructed to inquire as to costs of both the mailing and the add in the paper.

There is no further business, and meeting is adjourned at 1.50 P.M.
