

12

I. LAND COUNTY FIRE PROTECTION DISTRICT # 3

Special meeting of the commissioners Oct. 23 1956

Meeting called to order at the office of the chairman at Clinton Wash.

Commissioners present: H.F. Palmerston  
J.T. Malone  
L.S. Capp

Since the last meeting Palmerston had received a bid from Doney's Inc. which was for a F 750 Ford chassis with front mount pump and the bid was \$ 11,693.00 plus sales tax.

There was some discussion about looking into a Seagrave truck on a commercial chassis with an all bronze pump but it was decided against, with the thought that they couldn't possibly supply a truck for any less than the lowest bid already received.

It was moved and seconded to accept the bid of the Howard Cooper Corporation of \$9,920.00 with \$ 150.00 additional for dual batteries and \$ 45.00 additional for front bumper extension for mounting siren and extinguishers, and for place to stand to work on the engine. Also to take 1957 chassis at increase of \$ 175.00.

W.C. Asher<sup>brook</sup> (Bill) of Howard Cooper Corporation came in and invited the commissioners to meet him at 9.30 A.M. Thurs. Oct. 25 at Snohomish County Fire Dist. # 1 headquarters station about 1 mile south of Lynwood to inspect a truck they had purchased from Howard Cooper less than a year ago. Purpose of this trip ~~to~~ to judge the workmanship of this company. The offer was accepted.

Current bills were <sup>n</sup>considered and accepted and vouchers for same signed.

There being no further business meeting was adjourned at 9.20 P.M.

*M. E. Hunter*
